ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Prime Share, Loan Share, Mortgage Share, Mortgage Escrow Share, Secured Visa Share, Other Share, Vacation Share, Holiday Club, Looney Tunes, IRA Share, Roth IRA Share, Coverdell ESA Share, Money Market, and E-Access Share Draft Checking accounts, the dividend rate and annual percentage yield may change at any time as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the rates and yields as of the last dividend declaration date that is set forth in the Rate Schedule above. Prime Share, Loan Share, Mortgage Share, Mortgage Escrow Share, Secured Visa Share, Other Share, Vacation Share, Holiday Club, Looney Tunes, IRA Share, Roth IRA Share, Coverdell ESA Share, Money Market, and E-Access Share Draft Checking accounts are tiered rate accounts. The balance ranges and

corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. For tiered accounts, once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your account.

2. E-ACCESS SHARE DRAFT CHECKING — For E-Access Share Draft Checking accounts, if you meet the minimum qualification requirements, the first dividend rate and annual percentage yield listed for this account will apply. If you do not meet all of the minimum qualification requirements during the monthly qualification cycle, the second dividend rate and annual percentage yield will apply. To meet the minimum qualification requirements, you must 1) complete four (4) Bill Payment transactions; 2) make four (4) debit card transactions that post and settle to your account; and 3) be enrolled in and receive e-Statements. The monthly qualification cycle is defined as the period beginning on the first day of the statement cycle and ending on the day the statement cycle closes.

3. NATURE OF DIVIDENDS — Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

4. DIVIDEND COMPOUNDING AND CREDITING — The compounding and crediting frequency of dividends and the dividend period applicable to each account are stated in the Rate Schedule above. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.

5. ACCRUAL OF DIVIDENDS — For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. For Prime Share, Loan Share, Mortgage Share, Mortgage Escrow Share, Secured Visa Share, Other Share, Vacation Share, Holiday Club, Looney Tunes, IRA Share, Roth IRA Share, Coverdell ESA Share, Money Market, and E-Access Share Draft Checking accounts, if you close your account before accrued dividends are credited, you will not receive the accrued dividends.

6. BALANCE INFORMATION — To open any account, you must deposit or already have on deposit the minimum required share(s) in any account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements

applicable to each account are set forth in the Rate Schedule above. For Prime Share accounts, there is a minimum daily balance required to avoid a service fee for the Statement closing balance. If the minimum daily balance requirement is not met during each day of the Statement closing balance, you will be charged a service fee as stated in the Fee Schedule. For Prime Share, Loan Share, Mortgage Share, Mortgage Escrow Share, Secured Visa Share, Other Share, Vacation Share, Holiday Club, Looney Tunes, IRA Share, Roth IRA Share, Coverdell ESA Share, Money Market, and E-Access Share Draft Checking accounts, there is a minimum daily balance required to earn the annual percentage yield disclosed for the dividend period. If the minimum daily balance requirement is not met each day of the period, you will not earn the annual percentage yield stated in the Rate Schedule. For accounts using the daily balance method as stated in the Rate Schedule dividends are calculated by applying a daily periodic rate to the principal in the account each day.

7. ACCOUNT LIMITATIONS — For Prime Share, Loan Share, Mortgage Share, Other Share, Vacation Share, Holiday Club, Looney Tunes, and Money Market accounts, you may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic, or Internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account may be subject to a fee or be closed. For Holiday Club accounts, you may request that the entire balance will be transferred to another account of yours on or after October 15 and the account remain open. Otherwise the funds will automatically remain in your Holiday Club account for the subsequent club period. For Mortgage Escrow Share accounts, withdrawals can only be made for escrow disbursements. For Secured Visa Share accounts, no withdrawals are allowed except to pay off and close your Visa credit card. For IRA Share, Roth IRA Share, Coverdell ESA Share, Share Draft Checking, and Gen Y Share Draft Checking accounts, no account limitations apply.

8. FEES FOR OVERDRAWING ACCOUNTS — Fees for overdrawing your account may be imposed on each check, draft, item, ATM transaction and one-time debit card transaction (if member has consented to overdraft protection plan for ATM and one-time debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient

available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Fee Schedule for current fee information.

For ATM and one-time debit card transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the credit union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.
